

Beginning June 1st, Dejana Industries will be the Village of Flower Hills new carting company.

We have gotten many requests from residents asking us to continue to contract with Meadow Carting. Under NY State law we are required to go out to bid for service contracts and are required to accept the lowest responsible bid. We did our due diligence and found Dejana to have received high marks from other villages. Their yard is located in Port Washington which will allow them to be available to us in a timely manner.

Trash and recycling will continue to be rear door service, 3 days a week. Recycling will only be picked up once the container is full. You may leave recycling at the rear door with your trash cans.

The Village follows all garbage and recycling regulations promulgated by the Town of North Hempstead. See the Village or the Town website for details.

Paper Recyclables - Set out in a labeled Paper recycling bin or tie into bundles. Break down cardboard boxes.

Metal, Glass, #1 & #2 Plastic – Set out in separate recycling bin.

Yard Waste – Should be picked up by your landscaper.

Garbage, Rubbish, Large Items
